

E C A A Summer League 2008

Results of Match No 2 – 22nd June 2008

This month I found myself in the unenviable position of having to exclude an archer's score from the team total due to him not being affiliated to the club for which he shot. This was not something I enjoyed doing so, please, check that all your team members (especially if they are new to your club) are not affiliated elsewhere – see Rule 13. I do not send results until all the scores are with me and I thank those of you who send them promptly. Email has made so much difference. If you still use the post, may I make the suggestion that a prepared envelope is taken to the match, when the Result sheet is completed, it is put in the envelope and posted on the way home – job done!
