

I apologise for the delay in sending the results of the final League match but now, from my sick bed, have managed to get these collated (all together now – ahhhhh!) The final Table is also included but I am afraid you will have to wait a little longer for the lists of Individual scores, etc., however, I am hopeful they will be with you very shortly and worth the wait! I trust you have enjoyed the Season despite some not-so-good-weather and my congratulations go to the many who have put up some very good scores. Medals and trophies will be presented at the AGM in February and I hope to see you there.
