The record claim presented to this meeting will be ratified. Chairman will be updating Operational Guidelines.

(d) Meeting asked if it would be acceptable that the SCAS and ECAA WA1440 be combined and shot on the one day (Saturday) with an h-2-h the following day. Mentioned it would be a shame to lose one of the WA1440 shoots as there appears to be just three in the County. Long discussion ensued and felt there needs to be a more general consensus.
