The shot was a 14 target unmarked forester round shot twice round, on 3d animal targets. Despite the small number of entrants, every one had an enjoyable day, especially as the weather was very kind.

It was also encouraging to have a number of targets archers trying a field round for the first time.

The next shoot at Panther Bowhunters will be a FITA 24 target mixed (12 Marked and 12 unmarked) round on 2nd and 3rd June 2007.

If you wish to try something different then contact the organiser:-

Robin Frost on 01245 257782 for an entry form which can also be obtained on the Essex web site.
