Notes: -

The organising team hope you enjoyed the day, you kept us busy but it was worth it. We have made some changes to the awards for the junior archers which took place after the shoot so there are a few medals which will be sent out by post. These changes have been made in order to better reward the juniors for their shooting efforts on the day and will be part of all future East Anglian tournaments.

Unfortunately some of the trophies were not returned in time for presentation at this year's shoot. We apologise to the new winners for not having them there for you on the day but we know where they are and will get them to you as soon as possible.

We hope to secure the venue at Framlingham as the regular location for the East Anglian championships; if we are successful the date for next year's tournament will be 22/08/2010. If you've got any suggestions for changes or ways to improve the tournament your comments will be gratefully received.

Alan Drinkwater – tournament organiser and Chairman of Framlingham Bowmen
