Work Party Colchester and District Archery Club

Rounds Shoot FITA Ladies and Gents, FITA Cadet Ladies
and Gents, Metric Two to Five

Status World Record Status

Weather Very Hot and Sunny

Comments

Yet another great turn out from the juniors. Just under 50 turned up this year, (but I understand the financial restraint on families). Well done to everyone who endured the heat? You shot very well. Sorry we did not do the "hit and miss" at the end, but I had a number of people ask not to do it, with the heat and the time factor, a wise move.

I hope to see you on the archery circuit soon, please look at our web site for next year's tournament entry form as well as the Bill Tucker memorial shoot in May.

Records and Awards

In total 12 records claims have been submitted, two for Laurie Clarke using a Long Bow and five each for Grace Butterfield shooting a recurve and Ellie Outram shooting a compound in the metric five category. A number of EAF claims will also be made by archers.

Thanks

There are a lot of "Thank You's", To Colchester and District Archery Club for all the support and assistance, Work Party, Catering and guidance. The grounds man for the superb lining. The judges and our sponsors; Perris Archery and Rochford Archery.

And, of course you, the archer and parents for attending and supporting this shoot.
