organising team hope you enjoyed the day in spite of the challenging conditions, you kept us busy but it was worth it. We did not break any UK records but maybe we can put down to the windy conditions. It's very nice to see the competitors wait for the presentation ceremony as it makes the end of the day so much better. Thanks to all who held the trophies in time for the presentation at this year's tournament.

Next year the East Anglian Championships will be on the 20/08/2017. We will notify all those registering for this year's shoot directly via your e-mail addresses. Caravans or tents are permitted on the Sports Club ground so if anybody wants to stay overnight just let us know. The entries numbers were down when compared to previous years so for 2017 we will run York/Hereford/Bristol's or 1440 rounds and go for record status to see if this is more popular with you the archers. As always if you have any suggestions for changes or to improve the tournament your comments will be gratefully received.

Drinkwater – Tournament Organiser and Chairman of Framlingham Bowmen
