Weather conditions: -. Overcast with heavy rain at the end of three dozen but cleared after a short break and remained dry for the rest of the shoot. A moderate tailwind was present for most of the day.

Notes: -

The organising team hope you enjoyed the shoot, which, in spite of the rain finished as a dry day. Another busy day for all involved but very pleasing for the host club to see such a good number of archers shooting. This was our eleventh consecutive year in running the East Anglian and the numbers attending were similar to last year. You kept us busy but it was worth it and I think we all had an enjoyable day. We maintained the UKRS and the Rose awards this year and it was very nice to see five of you claiming Rose awards and one six gold end award. Thank you to all who returned the trophies in time for the presentation at this year's tournament.

Next year will be a bit special for the East Anglian Championships as it's the 70th year that the competition has been running. We will notify all those registering for this year's shoot of the competition details directly via your e-mail addresses but the date should be the **23/08/2020**. Caravans or tents are permitted on the Sports Club ground so if anybody wants to stay overnight just let us know.

For 2020 we will run York/Hereford/Bristol rounds again and apply for UK and Rose award status. As always if you have any suggestions for changes or ways to improve the tournament your comments will be gratefully received.

Alan Drinkwater – tournament organiser and Chairman of Framlingham Bowmen.

Orwell Cup County team award – Recurve/Barebow

This year the award was given to the best total score from three county Recurve/Barebow archers. As usual the Orwell cup is a Norfolk vs. Suffolk competition so the archers making up the Suffolk team are those whose club range is located within the county. Gents shooting the York round and Ladies shooting the Hereford round. A junior can be part of the team but they must shoot the appropriate age related Bristol round.
