

ECAA Albion Compound League 2021 – August Results

The results were delayed this month due to scores not being submitted on time. Given this is a first offence I have allowed the scores which arrived to stand but from now on if the scores are not sent in using the online form or if they are later than the date specified in the rules they will have to be marked as missing. You have been warned 😊

Any problems then give me a shout - Richard

August Results

Phoenix A 1892 beat Oakfield 1778
