ECAA Albion Compound League 2022 – August Results

Another disappointing set of results with only 4 of the 8 teams sending in a score but despite that it is still looks quite close at the top – one result either way could change things a lot.

The last match results by the end of September please.

Any problems then give me a shout – Richard

August Match 6 Results

Malgrave B John Jeffereys (854), Chris Bushell (842)	1696	beat	Phoenix B No Score	0
