So we have come to the final match of the 55<sup>th</sup> ECAA Summer League and, with your help, this league will continue for many more years to come. Congratulations to all who took part, especially to the winning club, lady and gent of each Division. Many matches during the season were very close calls so it can be said; no-one is a loser. The final table is attached as are the Individual scores and positions of all who shot. I look forward to entries for next year; these should be received by club secretaries in November. Enjoy the winter – and your shooting!
