**82/19 Coaching Officer's Report from Chris Buckley: Continuing Professional Development (CPD)**

**Events:** Paul Clark came along in April to run a session on equipment and rules from a Judge's perspective. It was well received and £40 was sent to the Helen Rollason Cancer Charity from donations received on the night. We will look to arrange something similar next year, probably a more 'hands on' outdoor session. Last weekend Trish Lovell came along to help us run two field coaching sessions in collaboration with Mayflower. We had a session in the morning specifically for coaches and another in the afternoon for archers. It is still early days but the feedback so far has been good. I attended the morning session and thoroughly enjoyed it. We will be splitting the proceeds with Mayflower but the final figures are not yet in. After a lot of searching we have found an appropriate indoor venue and we are looking to run a structured programme of coaching sessions over the coming winter. More details will follow. **Renewals:** Despite AGB assuring us that renewal reminders are being sent out, lots of coaches are still complaining they are not receiving anything. The Guild are now sending out their own reminders, either directly to the coaches where we have their contact details, or via club secretaries where not. A few of the Guild

committee have their own renewals coming up shortly, so we will keep an eye out for our own reminders to check first-hand what the AGB experience is like. Coach numbers as received from Archery GB as follows:

<b>Coaches</b>	<b>February</b>	<b>--&gt;</b>	<b>May</b>
L1	53	+3	56
L2	16	+2	18
County	4		4
Senior	2		2
<b>Total</b>	<b>75</b>	<b>+5</b>	<b>80</b>

The eight Level 1 coaches who qualified in April were only starting to get their DBS applications processed as of June, so it will probably be a while before they start appearing on the official list. **Finance:** We have an appointment with Barclays in Ipswich next Tuesday 9th April to open a new bank account for the Guild. We have had ongoing issues with Lloyds for over a year which has made it next to impossible to operate our two existing accounts on a day to day basis. We have £1,373.19 in our main account. We have approximately £1,400 in the old JEDI/SEDI account. Despite having had new signatories set up for the account we have so far been unable to extract a statement from Lloyds.

**83/19 Any Other Business:**

- (a) Thelma Davisson Cup has been re-plated.
- (b) A wireless p.a. system has been purchased.
- (c) JRO queried wrong totals on a Result Sheet. After deliberation the correct total was accepted as a Record.
- (d) Following a Rule change from Archery GB and World Archery, it was decided at the last Council Meeting that County would do the same, therefore, all Double WA round records have now been archived and the books open for new claims. SRO will accept any claim from the start of the Outdoor season this year (2019) as long as it has been shot at a Double event under the new Rules (no practice before the second round). Rounds affected are, Double WA70, Double WA60, Double WA50. This also coincides with the introduction of 'Masters' category for the Over 50s with records being recognised in the following, WA60, WA50, WA1440, Ladies (60/50/40/30), Gents (70/60/50/30) and WA18. For details please see Spring issue of Archery UK, page 23.
- (e) Assistant Team Manager raised the point that, as 'Suffolk' appears on the shirts, why was it not in the Back Numbers for the National Team Tournament. Explained that the County title is 'ECAA incorporating Suffolk' with the hope that Suffolk will form its own County Association at some time.
- (f) One team shirt is provided to archers qualifying for a place in the County team. Another shirt can be purchased if required. This to be via the Team Manager.
- (g) Secretary has details of new club to be formed. Nothing further heard.
- (h) Confirmation received of County Field at Panther, 6<sup>th</sup> October. Paperwork through, Perris agreed to sponsor.
- (i) Daisy Clark selected for Euro Field Team in October in Slovenia asking for monetary help. Proposed by Miss D Horn (Secretary) that this be forthcoming, seconded Mrs W King (Mayflower). Meeting agreed to help, with the proviso that she shoots in the tournament also that SCAS be approached for help. C Buckley (EGAC) proposed the sum of £400, seconded M Pearce (Vice Chairman), agreed by the Meeting with 1 abstention.
- (j) Field Organiser will arrange to receive trophies before the County Field.

Being no other business, the Meeting closed at 21.00hrs with thanks to those present for attendance.

Date of next Meeting Wednesday 4<sup>th</sup> September 2019.
