**Organisers Note :** I am very grateful to all archers that supported our first open tournament, especially those who travelled from as far as Norfolk, Cambridge, Loughbrough and Suffolk. Thanks also must go to our team of judges who worked so hard on the day and I am delighted to say that Graham Sibley has given us approval to apply for Record Status next year.

I was also pleased to receive the kind comments from archers about running of the shoot and also their suggestions for some improvements at next year's event. The areas we wish to improve include more time between sessions; fewer seats to create more space for kit storage and movement behind the shooting line; a better lighting system for the target faces as well as a few other smaller changes. I am also grateful to Perris Archery for attending the event and lending their support. We hope to see you all at next year's shoot.
