Organisers Note : Thank you again to all archers for supporting our third indoor tournament. It was good to see again a number of archers travelling from outside of the County including Kent, Norfolk, Surrey, Hampshire and Dorset. I was delighted to have along four members of the GB Junior Squad who have just returned from the World Junior Championships in Mexico and just sorry that the climate inside the sports hall could not match that of the Yucatan Peninsula!

I always ask for comments from archers on ways to improve this tournament and encouragingly, the list seems to be getting smaller each year. There were a number of errors on the score sheets where archers were using the judge's alterations box to record arrow values. The score sheet needs improving to make this clearer which I will sort out for next year. Hopefully the school will by then have fixed the heating problem we encountered on the day.
