Our thanks go to our judge Tony Ikel and members of Oakfield Archers for their hard work.

Most of all thanks to you the archers for supporting the shoot and being such nice people.

It was very nice to see juniors on the shooting line, we would like to see more and the adults who were shooting their first longbow competition, well done.

Hope you enjoyed our unique prize presentation.

Sorry about the rain but at least it held off until after the shooting was over.

We look forward to seeing you all again next year, so please make a note in your diaries for Saturday 21st June 2008.

It will be Record Status.

Shoot Organiser.

Joan Ikel.
