Many thanks to the work party and everyone else at Southend & District Archery Club for all their efforts in the weeks leading up to the event; to Joan and Mike for the lovely food on offer all day and to Perris Archery for tempting us all with shiny new things (that crossbow looked a bit lethal!)

But of course thanks go to all the archers who braved the wind to join us for our shoot and especially those who put in claims for Rose awards – we hope to see you all next year.

Matthew
