We would like to thank Noak Hill Archers for the use of the wonderful facilities and for providing the field party, without which, this event couldn't happen. Also, our thanks go to the Judges, who as always, did a sterling job of keeping the shoots running on track in their usual jovial way. Lastly, our thanks go to all of the archers, for many of whom, this is their first Covid era competition. They all stuck to the guidelines and respected the boundaries. Thank you all and we hope to see you again next year.

Happy Shooting
Mark & Sharon
